**It was a great week on the Claremont Campus!
This day is sacred to our Lord. Do not grieve, for the
joy of the Lord is your strength.**

Nehemiah 8:10

Around Campus this Week

The house demolition was completed this week. The north playground may be used and the temporary fence will be removed soon. Also, we will be doing some tree pruning soon in the back, but this should not affect the playgrounds. Even though the houses are gone, please use the same pathways you have always used for travel. Students may not go back by the maintenance storage area. We will be fencing areas soon to help aid with this.

Below: Honored guests at the National Day of Prayer Chapel with Mrs. Browning and Mrs. Winter (Left to right: Claremont City Mayor Cory Calaycay, Pastor Larry Kapchinski from Granite Creek Community Church, District Representative David Monroy from Senator Bob Huff's Office, Claremont City Council Member Peter Yao);

Mrs. DeJager running the book fair this week;

Demolition work on the west side of campus.

Plan to attend The Auction on May 16.

All proceeds from this event will go toward the purchase of a van for our athletic department, and smart boards for more elementary classrooms.

Upland Campus Open House Community Event!!!

Saturday, May 16 from 9am-12pm. Come see the campus and learn more about all of our programs, preschool through high school.

Parking Lot News

The administration is looking at the morning drop-off /afternoon pick-up for a more efficient procedure. We welcome your feedback as we discuss changes for the future. Please feel free to email Mrs. Browning at mbrowning@westernchristian.org with suggestions.

ALSO! One suggestion for crazy Thursday pick-up... Plan to pick up your student five to ten minutes after 2pm. Day care is free until your child's regular pick-up time, and this will cut down on frustrating traffic jams!

This Week's Swine Flu Update: **DON'T DO THIS!!!**
