Western Christian Schools

Volume 1, Issue 10

Still trying to decide the best school for your child to attend?

97% of Western Christian's seniors have been accepted to the colleges of their choice. Our 8th graders score Post High School on SAT's (up to 4 years above the National Norm), far surpassing California public school scores which rank 48th in the Nation. Western has 89 years of educational academic distinction, is dually accredited, and has over 4,000 alumni.

Western Christian is the school of choice!
